This beautiful 0.31-acre parcel of white sandy beach is perfect for investment and has approximately 110 ft. of pristine water frontage, the site is between 2' to 9' above sea level. Located in the tranquil area of the East End just before "The Castle" and Police Station in Gun Bay, this is a great property that offers a great family homesite. Zoned as a Beach Resort/residential, this parcel offers a multitude of opportunities for development and stunning sunrise/sunset views. East End is fast becoming a popular location with its clear coastline, nature attractions like the Botanic Gardens and Iguana Sanctuary, and an increase in facilities and amenities like Health City and the East End Dive Centre. As infrastructure is moving out this way and it will be easier to get in and out of town once the new bypass extension is completed, this land is a great investment. As Grand Cayman continues to be developed, demand for land will increase.

You must see this parcel to appreciate its excellence.
