Shore Shore #309 is your new oceanfront paradise! This waterfront community of two and three bedroom condos is perfect as a primary residence or rental investment. This three bedroom, two bathroom condo has been upgraded throughout. Super spacious master with large walk in closet and well appointed ensuite. The floors have been replaced to a lovely tile finish and the bedrooms are oversized. This top floor residence spans 1,550 SQFT and has excellent attic storage.

Capital projects have recently been completed and the community looks fantastic. There is so much coming to the Grand Harbour/Spotts areas including Newtown a 53 acre master planned community with restaurants, shopping and amenities galore. So much going on in this district which makes life even better. Tons of green space, a fabulous oceanfront pool, two car parks for this unit and pet friendly with a dog park. The best value, the best lifestyle and the very best ocean views.
